- I. **Authority:** Health and Safety Code, Division 2.5, Sections 1797.214, 1797.220, California Code of Regulations, Title 22, Chapter 11.
- II. **Purpose:** To establish a mechanism by which providers of continuing education may be designated an "authorized provider" of emergency medical services (EMS) continuing education (CE) in San Diego County.
- III. **Definition:** Authorized Emergency Medical Services (EMS) Provider of Continuing Education (CE) – Authorized EMS Provider of CE means an individual or organization who meets the requirements of California Code Of regulations (CCR), Title 22, Chapter 11, and is approved to conduct continuing education courses, classes, activities or experiences, and to issue earned continuing education hours to EMS Personnel for the purposes of maintaining certification/licensure or re-establishing lapsed certification or licensure within the state of California.
- IV. **Policy:** The County of San Diego, Health and Human Services Agency, Emergency Medical Services Branch (County EMS) will approve, for the purposes of recertification, relicensure, reaccreditation, or reauthorization, those CE activities sponsored by providers who are designated by EMS as authorized providers of CE and who comply with San Diego County policies, procedures, and guidelines for EMS CE providers.
- A. In order to become designated as an authorized provider of EMS CE in San Diego County, applicants must:
1. Complete an application form and submit it, with appropriate documentation and fees, to County EMS at least sixty days prior to the date of the first educational activity. San Diego County Base Hospitals are exempt from the fee. The form

- must indicate whether the applicant is applying for approval to offer courses for basic life support (BLS) personnel and/or advanced life support (ALS) personnel or both.
2. Agree to comply with all guidelines pertaining to authorized EMS CE providers. For all providers, these guidelines are described in the County of San Diego EMS Guidelines for Authorized Emergency Medical Services Continuing Education Provider manual, available at the County EMS office.
  3. Provider applicants must designate the certification level(s) of their intended CE participants (ALS or BLS). Approval may be granted for only one certification level (BLS versus ALS/BLS) if the applicant cannot document their ability and resources to provide CE at all levels. This approval level may be adjusted after initial approval provided that the authorized provider can demonstrate that it has the requisite equipment and materials to provide this education in accordance with the guidelines.
- B. County EMS shall approve or disapprove the CE request within 60 days of receipt of the completed request.
1. Within fourteen working days of receipt of a request for approval, County EMS will notify the CE provider that the request has been received, and shall specify what information is missing, if any.
  2. If the request is approved, County EMS will issue a CE provider number.
  3. If the request is denied, County EMS will notify the applicant in accordance with in accordance with applicable provisions of CCR, Title 22, Chapter 11.
